Mobile Car Wash

Premium

Water washing the entire exterior. Involves vacuuming of the interior and boots. All mirrors and windows are cleaned inside and out. Dashboard and leather seats wiped down. Tyre rims cleaned.

Please provide a water and plug point. This is a valet car wash service where our professionals come to your address for the service to be done. This is designed for all car models and makes.

Deluxe

Water washing and waxing the entire exterior. Tyres are shined and rims are cleaned. Clean exterior windows, mirrors. Involves vacuuming of the interior and boots. All mirrors and windows are cleaned inside and out. Interior trim is wiped and dressed. Clean door and boot jabs. Leather conditioning.

Please provide a water and plug point. This is a valet car wash service where our professionals come to your address for the service to be done. This is designed for all car models and makes.

Carpet

Carpet shampooing for light to moderately soiled carpet. A heavy carpet stain removal upgrade for heavily soiled carpet is recommended.

(All floors to be vacuumed and furniture to be moved from the carpet before the professional arrives)

Exterior House Cleaning

Soft House Wash
